Summary of pages

This document comprises a front cover, an inside front cover, pages i to iv, pages 1 to 5, and a back cover.

Foreword

Publishing information

This PAS was sponsored by the Wheelchair Accessible Vehicle Converters' Association (WAVCA)¹. Its development was facilitated by BSI Standards Limited and it was published under licence from The British Standards Institution. It came into effect on 30 November 2019.

Acknowledgement is given to the technical author Ian Hopley, and to the following organizations that were involved in the development of this PAS as members of the steering group:

- BraunAbility
- GM Coachwork
- Ford Motor Company
- Lewis Reed Group
- Research Institute for Disabled Consumers (RiDC)
- Society of Motor Manufacturers and Traders (SMMT)
- Vehicle Certification Agency – Department for Transport (VCA)
- Wheelchair Accessible Vehicle Converters' Association (WAVCA)

Acknowledgement is also given to the members of a wider review panel who were consulted in the development of this PAS.

The British Standards Institution retains ownership and copyright of this PAS. BSI Standards Limited as the publisher of the PAS reserves the right to withdraw or amend this PAS on receipt of authoritative advice that it is appropriate to do so. This PAS will be reviewed at intervals not exceeding two years, and any amendments arising from the review will be published as an amended PAS and publicized in *Update Standards*.

This PAS is not to be regarded as a British Standard. It will be withdrawn upon publication of its content in, or as, a British Standard.

The PAS process enables a specification to be rapidly developed in order to fulfil an immediate need in industry. A PAS may be considered for further development as a British Standard, or constitute part of the UK input into the development of a European or International Standard.

Relationship with other publications

PAS 2012 is published in two parts, as follows:

- *M1 vehicles for the carriage of one or more passengers seated in wheelchairs – Part 1: Manufacturing requirements – Specification*
- *M1 vehicles for the carriage of one or more passengers seated in wheelchairs – Part 2: Retail requirements – Specification*

Supersession

This PAS supersedes PAS 2012-2:2015, which is withdrawn.

Use of this document

It has been assumed in the preparation of this PAS that the execution of its provisions will be entrusted to appropriately qualified and experienced people, for whose use it has been produced.

Assessed capability. Users of this PAS are advised to consider the desirability of quality system assessment and registration against the appropriate standard in the BS EN ISO 9000 series by an accredited third-party certification body.

Presentational conventions

The provisions of this standard are presented in roman (i.e. upright) type. Its requirements are expressed in sentences in which the principal auxiliary verb is “shall”.

Commentary, explanation and general informative material is presented in italic type, and does not constitute a normative element.

Where words have alternative spellings, the preferred spelling of the Shorter Oxford English Dictionary is used (e.g. “organization” rather than “organisation”).

Contractual and legal considerations

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a PAS cannot confer immunity from legal obligations.

1 Scope

This Part of PAS 2012 specifies requirements for the retail of WAVs that conform to PAS 2012-1. It covers requirements for:

- a) the supply of product information to the user;
- b) the provision of user demonstrations;
- c) the conversion warranty;
- d) customer records; and
- e) the user manual.

It is recognized that the retailer may or may not be the WAV manufacturer.

The aim of Part 2 is to ensure that the user receives the information required to make an informed purchasing decision.

NOTE PAS 2012-1 sets out the requirements for the manufacture of WAVs.

2 Normative references

The following documents, in whole or in part, are normatively referenced in this document and are indispensable for its application. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

PAS 2012-1:2019, *M1 vehicles for the carriage of one or more passengers seated in wheelchairs – Part 1: Manufacturing requirements – Specification*

3 Terms and definitions

For the purposes of this part of PAS 2012, the terms, definitions and abbreviations given in PAS 2012-1 apply.

4 Customer service

4.1 Product information

The following product information shall be made available:

NOTE This may be through, for example, printed material or on the retailer's website.

- a) WAV make and model name;
- b) base vehicle make and model name (for WAVs manufactured through the conversion of a base vehicle);
- c) WAV technical specification as given in PAS 2012-1:2019, 7.3;
- d) the terms and conditions of the conversion warranty; and
- e) on request, a statement of PAS compliance containing the data described in Clause 10 of PAS 2012-1:2019.
